

2026-2027 Winter 2-Person Scramble Simulator League Entry Form

League Play will consist of 10 golf courses to be played over the course of the winter. The entry fee for the league is \$150 per team and then \$53.62 per round for the team. If you choose to pay the \$53.62 each week it will total to \$1222.40 for the team or \$611.20 per player, but if you want to prepay for league you can prepay for the first half at \$632.58 per team or \$316.29 per player and then the second half at \$482.58 per team or \$241.29 per player saving you a total of \$107.24. You will play 9 holes per round as it will generally take roughly an hour for a 2-person scramble team to play 9 holes including a small warm-up. Therefore, you will play for a total of 20 weeks to get through the 10 courses. When you sign-up for the league you must put down your designated day/time you desire to play. You may also put down if you wish to play with another team or multiple teams and we can just put you in back-to-back times and can then play together over multiple hours. League play will start the week of October 19th and will conclude on the week of March 22nd with a one week buffer after for any makeups that need to happen. There will be no league play the week of November 23rd for Thanksgiving week, the week of December 21st for Christmas, or December 28th for New Years. The days/times available to play are Monday-Friday 8am-10pm.

Payouts will be in the form of shop credit that can be used for simulator time, lessons, club fittings, and merchandise. Payouts will be based on 6, 6-team divisions that will be paid out at the halfway point and then end of the season with a reshuffle in the middle. The first 2 courses will determine divisions and handicap for the first half and then after the next 4 courses we will pay out a first half and reshuffle divisions as needed and then pay out for the last 4 courses at the end of the season.

1st Place: \$180 per half

2nd Place: \$120 per half

3rd Place: \$100 per half

4th Place: \$50 per half
